RECORDED DELIVERY

Dear Charles,

BURNCOOSE NURSERIES Trade Mark Registration

I am pleased to report that your trade mark application for the mark BURNCOOSE NURSERIES in classes 9, 16, 31, 35 and 44 has been registered in the UK.

Certificate

The original registration certificate is enclosed with this letter. I advise that you keep the certificate in a safe place as it may be required in the future to prove your ownership of the mark.

Renewal

The mark is due for renewal by no later than **17 October 2028**.

You should make a diary note of this date as it is very important that it is not missed. If the date is missed and the renewal fees are not paid before this date, then your registration will lapse and others may, in time, be able to file an application to register the mark (or a similar mark) themselves and/or use the mark or similar mark in trade. Although we will endeavour to contact you to remind you to renew your mark we cannot guarantee that we will be able to do so. It is your responsibility to ensure your mark is renewed.

We would be very happy to assist you with the renewal process. If you would like us to do that, please contact us in plenty of time, given the renewal date, to enable the application to be made.

Now that your mark is registered, you should use the registered trade mark symbol ® when the mark is used in connection with the goods/services it is registered for. The ® symbol can be generated by typing (R). If you would like advice or guidance on use of the ® symbol please contact me.

Protection

As the owner of a registered trade mark, it is your responsibility to ensure others are not infringing your rights. Failure to address an infringement could lead to deemed acquiescence which could make your rights vulnerable.

Stephens Scown offer solutions to allow you to monitor both the use of your mark and to see if others are trying to register a similar mark.

Watching Service

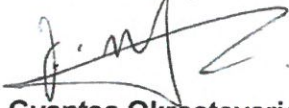

We recommend our clients operate a watching system to monitor relevant trade mark registers for identical/similar applications to their registered rights. Fees for a watching service start at £500 (plus VAT) for a twelve month period.

Other Services

Stephens Scown LLP is a full service law firm that can assist in all areas of business and personal law. I have enclosed further information about our services which may be of interest to you.

Please do not hesitate to contact me if you have any queries.
